What is MPACT?

The Missouri Parents Act (MPACT) is a state-wide Parent Training and Information Center. As Missouri's only PTI, MPACT provides services to parents of children with disabilities:

- Newsletters concerning disability related issues
- Local, state, and federal resource information
- Training for parents, schools and other professionals
- Direct assistance to families
- Website with fact sheets, sample letters, and more
- Disability related bulletin board

Where is MPACT?

While our state office is located in Kansas City, we also have staff in 6 different regions throughout the state. To find the staff member for your area, visit us at www.ptimpact.com/staff.htm or call our state office toll free at 1-800-743-7634.

Who is MPACT?

MPACT's staff consists mainly of parents or family members of children with disabilities ranging in age from young adults to young children. Another integral part of MPACT is our volunteers. Volunteers perform a variety of services that include, manning booths at trainings and fairs, helping raise money, attending IEP meetings with parents, plus many other activities.
